

## Men's League 2017

### Regular Season Pool Play

- Roughly 16 pools of 8 players each.
- Each pool will be comprised of players grouped according to similar handicaps.
- Each player will play one 9-hole match each week against each of the other 7 players in their group twice over the course of the season (You do not have to play together in order to play your match. As was the case the last two years, you can book your tee time at any point during the day and play with whomever you wish. Your score cards will simply be matched up at the end of the day in order to determine the winner)
- You will receive 3 points for a match win, 1 point for a match loss or 2 points for a tie.
- If your opponent doesn't play that week you are not automatically awarded 3 points for the win. You are required to beat the worst net score submitted in your pool during that day's play in order to receive the full 3 points for the win. Otherwise, you will receive 1.5 points for a default win.
- You will receive 0 points for the weeks that you fail to submit a score
- The Regular Season will be split into two half seasons, so that if you are away or unable to play at the beginning of the season or at the end of the season you will still be able to have the opportunity to win one of the half-season, pool play sessions.
- The winners of each of the 16 pools from each half season will play against one another in a season-ending, team playoff event on Sept 13<sup>th</sup> (rain date will be Sept 20<sup>th</sup>). Format details will be announced at a later date.
- There will be a few specific tee times set aside throughout the day for Men's league players who do not have a playing partner or who are coming out at the last second and who are looking to play with other players in a similar situation. Please contact the pro shop as required on a weekly basis and they will be pleased to assist you. The more advance notice you can give, the more likely it is that we will be able to find you a playing partner or group.

## 2 Special 'OPEN' Theme Weeks

These two dates, June 14<sup>th</sup> and Aug 16<sup>th</sup>, will be 'OPEN' to all male members regardless of whether they are part of the season-long, Men's league pool play.

You are welcome and encouraged to bring out a guest or guests to play in either or both of the two Special 'OPEN' theme events.

The format will be comprised of blind draw, two-man teams playing 9-hole matches against other two-man teams. More match play format details will be forthcoming later in the season.

If you bring out a guest or guests, they will NOT become *your* partner on *your* team. Though you will, of course, be playing together with your guest(s) at the tee time of your choosing, your guest or guests will be entered into the blind draw, team match-up process along with all the Oakdale member participants. (Your guest(s) will require a verifiable handicap in order to be eligible for the competition)

There is no additional cost for these two 'OPEN' events for regular, full-season Men's league participants, however, those players will need to sign up for these events separately in order to allow for food purchase planning purposes.

Cost for NON-Men's league Regular Season participants for each of these two Special 'OPEN' weeks will be \$30

The 'All-In' food-inclusive cost for a male guest to play in these Special 'OPEN' weeks will be- \$80 for the nine holes of match play or \$130 if you would like to play 18 holes.

For your convenience and flexibility, food will be available at any time between 3:45p and 6:15p to facilitate the most number of players who will be either ending their midday rounds or beginning their late afternoon and early evening rounds.

June 14<sup>th</sup> will be a US OPEN theme week (Food favourites from Wisconsin)

August 16<sup>th</sup> - Oakdale Club Championships theme week (Oakdale food favourites)
